BEAUTY ACADEMY SEVENOAKS

We are a VTCT approved academy which has been in operation for the last year. The team comprises of fully qualified lecturers, all with teaching and assessing qualifications with each lecturer having over 15 years' experience in further education. Each lecturer has been specially chosen to teach on courses that they have exceptional knowledge and experience in, therefore giving the student the highest quality training but still good value for money.

Full VTCT qualifications run with a roll on roll off system, this means students can join at any time.

Units and short courses are available throughout the year with dates planned dependant on demand.

Short courses are insurance approved, This enables students to work in industry.

Class sizes at present are a maximum of 4 on full qualifications and 6-8 on short courses so individual time is given to all students.

Deposits need to be paid 2 weeks before courses start and are non-refundable but are transferable against other courses.

Deposits range in price depending on the course, some are used to purchase student kits in advance.

VTCT fees and prices include: teaching days, registration, internal and external verifier fees, logbooks, written testing paperwork and invigilator and extra observation time for practical exams.
